5. The staff of the mental health center shall prepare and forward to the court a report which shall address all of the information set out above.

6. If the professional attempting to perform the evaluation for mental illness or developmental disability determines that the evaluation can not be performed on an outpatient basis, the court may order the child placed in a hospital or treatment resource as defined by T.C.A. §33-1-101, for the purposes of evaluation and for treatment necessary to the evaluation, for not more than thirty (30) days.

7. The mental health provider and DCS shall share any information or data on the child without a consent for release of information, including any information or data obtained from sources other than those referenced in this order. The mental health center and DCS are authorized to provide such information to any other provider recommended to the court as necessary for additional services to the child.

8. The Department of Children's Services shall immediately proceed with a non-custodial assessment to determine the need for TennCare benefits and services provided by or accessed through the Department and shall report its findings to the Court and the mental health center within 15 days from date of this order. DCS or the provider shall urge the parent, legal guardian, or legal custodian to apply for TennCare benefits on behalf of the child. The representative of the Department of Children's Services shall meet with the family of the child as soon as possible to assist in the application for TennCare benefits. In the event the parent, legal guardian, or legal custodian refuses or is in any way unavailable to apply for TennCare benefits, DCS is authorized by this court order to apply for TennCare benefits on behalf of the child.

9. The mental health center shall request services from TennCare, private insurance carrier or other potential payer as soon as possible after determination of any further treatment, care, training or other services recommended by the Court.

10. If an evaluation is requested for a misdemeanor charge then the cost of the evaluation is the responsibility of the county in which the charges originated.
